# GJNC DIVISIONS OF PLAY - OPEN, NATIONAL, USA, AMERICAN & PATRIOT

There are five (5) major divisions of play at GJNCs – Open Divisions, National Divisions, USA Divisions, American Divisions, and the Patriot Divisions.

The goal of the GJNCs **Open Divisions** is to identify, through competition, the best Team in each GJNCs age group from among Teams (see chart below) that have earned Bids. The NQ Open Divisions are designed to select those Teams.

- To participate in an Open Division at the GJNCs, a Team must earn a Bid from participating in an NQ Open Division – either winning the Bid outright at an NQ or being selected for an At-Large Bid after competing in an NQ Open Division (see [Open At-Large Bids](#)).

The goal of the GJNCs **National, USA and American Divisions** is to showcase Region Teams and provide the opportunity for more Teams to participate at the GJNCs.

- Teams have the following avenues to receive a Bid for a GJNCs Open, National, USA or American Division:
  - Earn a Bid at a NQ (Open, USA and American);
  - Awarded an At – Large Bid (Open and USA);
  - Earn a Bid through their Region’s Bid process (National and American) ; or
  - Earn a Bid from their Region through the Re-allocation process (National, USA, and American).

The goal of the GJNCs **Patriot Divisions** is to allow opportunity for Teams to participate at the GJNCs without following the qualification process.

- Teams must follow the established process to participate in this division

## *Age Classification, Divisions & Team Entries*

\*Patriot Divisions will have a soft cap of the number listed above, but may accept additional Teams in a Tournament, in multiples of 4 Teams, dependent on available court space.

## NATIONAL QUALIFIER PROCESS

The primary purpose of the NQs is to select, through Tournament competition, Open and some National (11's and 12's), USA and American Teams in various age divisions to compete at the GJNCs. Teams may qualify for a Bid outside the NQ process for the National, USA, and American Divisions.

There are a number of secondary purposes for the NQs, including:

- Promote inter-Regional play.
- Provide a high level of competition for Teams at different levels within each age division.
- Showcase junior talent for college recruiters and USAV High Performance programs.
- Promote the growth and development of volleyball in a particular geographic area.
- Provide a training ground for officials.

NQs are geographically assigned to cover a large portion of the United States to the extent that most Teams can attend at least one NQ within 8 hours drive.

Currently, there are 12 NQs for 11's-17's: Big South (Atlanta), Colorado Crossroads (Denver), Sunshine Volleyball Classic (Orlando), Far Western (Reno), Mideast (St. Louis & Indianapolis), Lone Star (Dallas), Northeast (Philadelphia), Northern Lights (Minneapolis), Pacific Northwest (Spokane), Show Me (Kansas City), Southern California (Las Vegas), and Windy City (Chicago).

Currently there are 16 NQs for 18's: Girls Winter Volleyball Championships (Chicago), KC MLK 18's (Kansas City), Northern Lights 18's (Omaha), AVC Dallas (Dallas), Ohio Valley (Columbus), Music City Volleyball Championships (Nashville), Sunshine Volleyball Classic (Orlando), Beast of the Southeast (Atlanta), Boston Volleyball Festival (Boston), Golden State (San Mateo), Southern California 18's (Anaheim), Crossroads (Denver), Lone Star (Houston), Pacific Northwest (Spokane), Mideast (Indianapolis), and Northeast (Gaylord National Harbor).

## USAV'S ROLE IN NATIONAL QUALIFIER EVENTS

The NQs are Sanctioned by the USAV National Office which develops, standardizes, evaluates and oversees the qualification process for the GJNCs through the USAV Events Department.

USAV and the Events Department monitor the qualifying process each season, and, with their various committees:

- Approve formats and flow charts for the NQ divisions
- Determine the process by which Teams are accepted or denied entry into a NQ division
- Approve each NQ competition schedule grid
- Approve systems to seed the NQ Open Divisions
- Review and recommend improvements for NQ operations
- Establish and verify individual eligibility requirements for all participants in both Bid and non-Bid divisions

## DIVISIONS & SIZE OF FIELD AT NQ EVENTS

The USAV Events Department, with input from the QDs of each of the NQs, determines the maximum number of Teams a NQ may host in each Open, National (11's and 12's), USA and American Division. Currently, a NQ may host a maximum of 48 Teams in each Open Division and 128 Teams in each National (11's and 12's only), USA and American Division. On a case-by-case basis, the USAV Director of Events may grant a waiver for a NQ division to exceed these numbers, except that no waivers will be granted for the NQ Open Divisions.

NQs are permitted to host competition in age divisions that do not currently have a Junior National Championship (i.e. 10 & Under or “Select” divisions). The NQs shall not institute these additional divisions without the approval of the USAV Director of Events.

## GJNCS BIDS AWARDED BY A NATIONAL QUALIFIER

USAV allows each NQ to award a certain number of Bids to the top finishing Teams in Open, National (11’s and 12’s only), USA and American Divisions. The number of Bids a NQ has to award is pre-determined according to the number of Teams entered in the NQ division on the NQs deadline date or the date the division’s Seeding is finalized; whichever number is larger (see the chart below).

OPEN: 18’s		OPEN & USA: 13’s		OPEN: 14’s - 17’s		NATIONAL: 11’s - 12’s	
Number of Teams	Number of Bids	Number of Teams	Number of Bids	Number of Teams	Number of Bids	Number of Teams	Number of Bids
< 8	0	< 8	0	< 8	0	< 8	0
8 - 11	1	8 - 11	1	8 - 15	1	8 - 128	1
12 - 15	2	12 - 48	2	16 - 23	2		
16 - 48	3			24 - 48	3		

USA: 14’s - 18’s		AMERICAN: 12’s - 18’s	
Number of Teams	Number of Bids	Number of Teams	Number of Bids
< 8	0	< 8	0
8 - 15	1	8 - 128	1
16 - 23	2		
24 - 128	3		

The total number of Bids distributed among the NQs to award in a GJNCS division is determined by the number of Teams permitted to play in the division at the GJNCS. Some Open Bids may be reserved for the At-Large Bid selection, National and a number of American Bids are awarded through the Region Bid process.

Bids awarded at NQs must be accepted in writing at or prior to the time of the Bid award (see [Rules for Priority of Bid Use](#) and [GJNC Bids Awarded Through a Region Process](#)).

**For a Team to use a Bid earned in any qualifying process, the Team must complete all entry requirements for their Region and for the GJNCS by the deadline dates provided by the USAV Events Department.** If a Team has not met all the entry requirements by the deadline date, that Team may lose its Bid and may be subject to additional Sanctions (see [Penalties for Not Using a Bid](#)).

Teams that earn and accept a Bid at a NQ will receive an email from the USAV Events Department by the Thursday following their qualification. This email will detail the requirements for entry into the GJNCs.

## ***Open Division Bids***

In the NQ Open Divisions, Bids go to the Teams that finish the competition in a Bid award position.

If one (1) or more Teams wins a Bid award position at a NQ and previously earned an Open Bid at another NQ, the Bid(s) can trickle-down to the next highest finishing Team, provided the next highest finishing Team finished no lower than eighth place in the Tournament.

**A Team may not decline an Open Bid (except in the 18 Open Division). By playing in the Open Division a Team is acknowledging its participation in GJNCs if a Bid is earned at a NQ.**

If a Team previously or subsequently earns a National, USA or American Bid either from a Region or a NQ, the Team must use the Open Bid. The [Rules for Priority of Use of a Bid](#) (see section below) determine which Team receives the National, USA or American Bid.

## ***National Division Bids (11's -12's Only)***

At a NQ, both a National Division and an American Division will be offered for the 11's and 12's age division

- Each NQ will receive one (1) National Bid to award, provided they have a minimum of eight (8) Teams registered in the division. A Team must accept or reject a National Bid in writing upon earning the Bid. If rejected, the Bid will trickle-down to the next eligible, highest finishing Team, provided that Team finished no lower than eighth place in the Tournament (see [GJNC Bids Awarded Through a Region](#)).
- Should the 12 National Division fail to receive the minimum number of eight (8) registered Teams, the 12 National and 12 American Divisions will be combined and will be called the National Division.
  - In order for the combined National Division to retain one (1) National Bid and one (1) American Bid, the division must have a minimum of sixteen (16) registered Teams.
  - If the combined National Division has less than sixteen (16) registered Teams, the NQ will award only one (1) National Bid.
- Should the 11 National Division fail to receive the minimum number of eight (8) registered Teams, a waiver may be granted by the USAV Director of Events provided a minimum of six (6) Teams are registered. If there are less than six (6) Teams registered, the division may be canceled or played without a Bid being awarded and the one (1) 11 National Bid will be placed in the Region reallocation process.

## ***USA Division Bids***

At a NQ, the USA Division has up to three (3) Bids in the 14 's-18 's age groups & up to two (2) Bids in the 13's age group. A USA Division must have at least eight (8) Teams to be able to award a Bid in that respective Tournament. A Team must accept or reject a USA Bid in writing upon earning the Bid. If rejected, the Bid will trickle-down to the next eligible, highest finishing Team, provided that Team finished no lower than eighth place in a Tournament. The [Rules for Priority of Use of a Bid](#) (see section below) determine which Team receives the USA Division Bids.

## ***American Division Bids***

At a NQ, the American Division has one (1) Bid. An American Division must have at least eight (8) Teams to be able to award a Bid in that respective Tournament.

A Team must accept or reject an American Bid in writing upon earning the Bid. If rejected, the Bid will trickle-down to the next eligible, highest finishing Team, provided that Team finished no lower than eighth place in the Tournament (see [GJNC Bids Awarded Through a Region](#)). The Rules for Priority of Use of a Bid (see section below) determine which Team receives the American Division Bids.

## **OPEN AT-LARGE BIDS AWARDED THROUGH USA VOLLEYBALL**

The USAV Events Department, with the assistance of its Seeding Committee, awards some GJNC Open Bids as At-Large Bids. Teams will automatically be considered for an At-Large Bid provided that the Team:

- Has played in at least one NQ in the same GJNC Open Division age group for which the Team is applying; and,
- Is registered for GJNCs in the GJNCs Event registration system; and,
- Complies with the both their Region's and USAV's GJNCs deadline dates and application processes; and,
- Submits accurate and up-to-date electronic results in the GJNCs Event registration system no later than the end of business on the Tuesday after the finish of the last NQ.

The USAV Events Department will announce the Teams being awarded the GJNCs Open At-Large Bids no later than the second Friday after the last NQ. The Events Department will notify Teams awarded an At-Large Bid by email, sent to the Coach and Club Director at the email addresses provided in the GJNCs Event registration system.

## **GJNCs BIDS AWARDED THROUGH A REGION**

Regions are allocated Bids to two Divisions at the GJNCs – National and American. Regions have the authority to establish their own process for awarding these Bids.

### ***National Division:***

Each Region will receive at least one (1) National Bid to award at their discretion for the 13's – 18's. As there are a total of 48 Bids to be allocated to 40 Regions, the eight (8) largest Regions based on Girls Junior registrations from the previous season will be awarded a 2<sup>nd</sup> Bid to the National Divisions at the GJNCs.

For 11's, and 12 's, the original allotment of Bids and any reallocation Bids a Region receives depends on the number of 12 and under Girls Junior registrations from the previous season, *not* on the total number of Girls Junior registrations in the Region. Given there are 40 USAV Regions and only 36 National Bids allocated to Regions not all will receive an allocated Bid. Regions not receiving an automatic Bid will be prioritized in the process of reallocating unused Bids.

### ***American Division:***

Regions may receive up to three (3) American Bids to award at their discretion for the 12's – 18's. There are a total of 64 Bids to be allocated to GJNCs, 12 Bids for 12's-17's and 16 Bids for 18's will be awarded at NQs. The remaining American Bids will be allocated to the Regions. Bids allocated to Regions are determined through a junior girls membership benchmark that is defined in the Bid allocation chart posted on the USAV website.

The number of Bids received by a particular Region may change from year to year.

## ***Reallocation Bids***

When a Bid is returned, the USAV Events Department distributes Reallocation Bids to the Regions in an order determined by the number of junior girls members (National Division) and the proximity of that number to certain benchmark membership numbers (American Division). When a Team earns a higher ranking Bid the vacated Bid will stay with the Region.(see Rules for Priority of Bid Use)

## **RULES FOR PRIORITY OF BID USE**

Some Teams participate in more than one qualifying process in a season, either through their Region, by attending NQs, by applying for an At-Large Bid, or by some combination of these processes. If the Team earns more than one (1) Bid, the following rules apply as to which Bid the Team must use, and what happens to the other Bid(s).

The priority of Bid use is as follows:

1. Open
2. National
3. USA
4. American

When an Open Bid is the second Bid a Team earns, from either a NQ or the At-Large Bid process:

- If a Team previously accepted a USA Bid, the Team must use the Open Bid. The USA Bid will remain in the Region of the Team that originally accepted the USA Bid. If the Region is unable to allocate this USA Bid, the USA Bid will go into the At-Large Bid process.
- If a Team previously accepted a National or American Bid, the Team must use the Open Bid. The National or American Bid will remain in the Region of the Team that originally accepted the National or American Bid. If the Region is unable to allocate this Bid, the Bid will be reallocated to the next Region in line.

When a National Bid is the second Bid a Team earns and accepts:

- If a Team previously accepted a USA Bid, the Team must use the National Bid. The USA Bid will remain in the Region of the Team that originally accepted the USA Bid. If the Region is unable to allocate this USA Bid, it reverts to the At-Large Bid process.
- If a Team previously accepted an American Bid, the Team must use the National Bid. The American Bid will remain in the Region of the Team that originally accepted the American Bid. If the Region is unable to allocate this Bid, the Bid will be reallocated to the next Region in line.

When a USA Bid is the second Bid a Team earns and accepts:

- If a Team previously accepted a National Bid from a Region, the Team must keep the National Bid. The USA Bid will trickle-down to the next eligible Team.
- If a Team accepts a reallocated USA Bid through a Region Bid process and then earns a USA Bid at a NQ, the NQ USA Bid will supersede the Region reallocated USA Bid. The vacated USA Bid will revert to the Region of origin for reallocation. If the Region is unable to allocate this USA Bid, it reverts to the At-Large Bid process.
- If a Team previously accepted an American Bid from either an NQ or a Region, the Team must use the USA Bid. The American Bid will remain in the Region of the Team that originally accepted the American Bid. If the Region is unable to allocate this Bid, the Bid will be reallocated to the next Region in line.

When an American Bid is the second Bid a Team earns and accepts:

- If a Team earns and accepts an American Bid through a Region Bid Process and then earns an American Bid at

a NQ, the NQ American Bid will supersede the Region American Bid and the Region American Bid will return to the Region it was originally awarded from for reallocation.

- If a Team that wins an American Bid and accepted an American Bid from a previous NQ, the current American Bid goes to the next eligible, highest finishing Team, provided the next highest finishing Team finished no lower than eighth place in the Tournament. The trickle-down process must be applied at the conclusion of the division's competition.

USAV reserves the right to fill Bids as necessary to ensure a quality Event with maximum participation.

## PENALTIES

To ensure the integrity of GJNCs and to promote fair play, it may be necessary for USAV to impose penalties. USAV will convene an Event committee to review each case and impose a proper penalty(ies) if warranted.

### ***Factors That Will Be Considered for Establishing Penalties:***

- Compliancy with deadlines and requirements
- Time of notification from the start of GJNCs
- Previous club/member behavior
- Level of play (Open vs. American)
- Where Bid is earned and accepted (NQ vs. Regional)
- Severity of offense
- Age and Experience
- Region Input

### ***Penalties for Not Using a Bid***

It is disruptive to the quality of the Event when Bids are returned after being accepted. There are financial consequences, administrative challenges, and logistical delays for Teams, Region administrators and USAV personnel. Inevitably this takes opportunities away from other Teams participating in the qualification process.

A Team that does not use a GJNCs Open Bid (13's-17's) which it has earned, or a GJNCs National, USA or American Bid which it has earned and accepted, and Teams that do not use an 18 Open Bid which has earned and accepted may be subject to the following penalties:

#### Financial Penalties

- From date of qualification up to the dates listed below prior to start of GJNCs - payment of entry fee.

Event	Date
18sGJNC	February 26, 2019
GJNC	April 27, 2019

- 2 months prior to the start of GJNCs- payment of entry fee and \$1,000 fine
- If the payment is not received for the GJNCs Event Entry Fee and/or fines, the club director(s), coaches

affiliated with official qualification roster will be prohibited from participating in NQs and GJNCs until the fee is paid in full. Further legal actions may be taken to ensure payment is received.

#### Suspension of Participation:

- Club Director suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Head Coach listed on the official qualification roster suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- All members listed on the official qualification roster suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Specific age group from club suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Club or specific suspended from participation in all NQ and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- All suspensions will be published and updated on the USAV website.

#### Additional Penalties:

- USAV reserves the right to impose additional penalties as deemed necessary.
- Regions reserve the right to impose additional penalties to Teams within their Region.

### ***Penalties for Illegal Use of Bid***

If a Team is deemed ineligible or have ineligible participants (age falsification, frozen player, foreign participation, ethics/eligibility, SafeSport violations etc.) the following penalties may be applied:

#### Financial Penalties:

- Loss of entry fee and a \$2,500 fine.
- If the payment is not received for the GJNCs Event entry fee and/or fines, the club director(s), coaches affiliated with official qualification roster will be prohibited from participating in NQs and GJNCs until the fee is paid in full. Further legal actions may be taken to ensure payment is received.

#### Suspension of Play:

- Club Director suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Head Coach listed on the official qualification roster suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- All members listed on the official qualification roster suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Specific age group from club suspended from participation in all NQs and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Club or specific suspended from participation in all NQ and/or Regional Qualification Events and GJNCs for the remainder of the season and the following season.
- Suspended membership or probation.
- All suspensions will be published and updated on the USAV website.

#### Additional Penalties:

- Revocation of past awards, winnings and titles.
- USAV reserves the right to impose additional penalties as deemed necessary (see [USA Volleyball Age and Identity Falsification Policy](#))

Regions reserve the right to impose additional penalties to Teams within their Region.

## **APPEALS**

When a penalty(ies) is imposed on a club/Team/individual by USAV, they may file for an appeal. Appeals may be filed with the USAV Ethics and Eligibility Committee by sending all relevant documentation to the USAV Staff Attorney by deadlines outlined in the initial Sanction letter. All appeals shall be accompanied by a non-refundable \$100 fee made payable to USA Volleyball.

# NATIONAL QUALIFIER TOURNAMENT INFORMATION

All NQs must use competition formats approved by the USAV Events Department two weeks prior to the start of the NQ. The information in this section applies to *all* NQ Tournaments as well as the GJNCs.

## RULES OF PLAY

The rules of play are as prescribed in the USA Volleyball Domestic Competition Regulations. (Note for the 2018-2019 season, the “Test” rules regarding what happens when an illegal player is found on the court will be in effect—see Rule Book for updated language. (DCR pg. 15)).

## TOURNAMENT FORMATS

The Tournament format determines the number of pools in a division, the number of Teams in each pool and the sequence of play, from pool play through playoffs. A Tournament “flow chart” illustrates the sequence of the format components.

## MATCH FORMATS

The preferred Match format is pools of four (4) playing the best 2-out-of-3 sets.

- The first two (2) sets play to 25 points, rally scoring, with one (1) Team winning by two (2) points and no point cap.
- If a 3<sup>rd</sup> (deciding) set is necessary, it is played to 15, rally scoring, with one (1) Team winning by two (2) points and no point cap.
- Some pools of three (3) may play all three (3) sets to 25, regardless of whether a Team wins the first two (2). This exception depends on the number of pools of three (3) in a division.
- In a three (3)-Team pool, where three (3) sets to 25 are played instead of 2 out of 3, and the final finish in the pool is determined by Match record. Should one (1) Team win the first two (2) sets of the Match, that Team has won the Match, but Teams will still play the 3<sup>rd</sup> set. Should there be a 3-way Tie in the pool with all three (3) Teams having a 1-1 Match record, ALL sets played will be used when determining set percentage when going to a Tie-breaker. When playing the 3<sup>rd</sup> set, there will be a coin flip between sets two (2) and three (3) to determine side, serve and receive, and Teams will switch sides when a Team reaches 13 points.

For division sizes of 8-16 Teams, pools comprised of more than 5 Teams may be utilized.

### ***Open Division Formats***

The top four (4) to twelve (12) Teams in an Open Division play three (3) rounds of pool play, and, if necessary, a single elimination bracket to determine the overall winner of the Tournament.

- The 3<sup>rd</sup> round of pool play is known as the Gold Pools.
- If a Team in one of the top three (3) positions in an Open Division previously qualified for the GJNCs, additional Matches may be required to determine which Teams are awarded Bids via the Trickle-Down Bid process.
  - The USAV Events Department approves formats for additional trickle-down Matches prior to the start of the NQ; and,

- The formats are announced in the Tournament information prior to the start of the NQ.

Teams in finish positions lower than the Gold Pools play two rounds of pool play followed by a single elimination bracket.

Some Teams may have an additional qualifying, crossover or Seeding Match prior to Gold Pools or playoff brackets, depending on the number of Teams in a division.

- For a field of less than 17 Teams, should large pools (more than 6 Teams) be used, one round of pool play followed by single elimination brackets is allowed.

### ***National (12's only), USA and American Division Formats***

All Teams in 12's National, USA or American Divisions play two (2) rounds of pool play, followed by single elimination playoff brackets.

Some Teams may have an additional qualifying, crossover or Seeding Match prior to Gold bracket or other playoff brackets, depending on the number of Teams in a division.

### ***National (11's only) Division Formats***

The 11's National Division may be contested as a two(2) or three (3)-day championship. For a two (2)-day format, one (1) round of pool play followed by playoffs is acceptable. Should the field size warrant, a challenge round after pool play may be necessary.

Divisions using a three (3)-day format should follow the 12's requirements.

### ***USA and American Division Formats***

All Teams in National USA or American Divisions play two (2) rounds of pool play, followed by single elimination playoff brackets.

Some Teams may have an additional qualifying, crossover or Seeding Match prior to Gold bracket or other playoff brackets, depending on the number of Teams in a division.

### ***SEEDING OF DIVISIONS***

The Seeding of divisions within a NQ may be either done by the NQ or the NQ may request that the Open divisions be done by the USAV Seeding Committee. Should the NQ choose to seed the Open Divisions, the seed order must be approved by the Committee prior to the release of the competition schedule. Alterations to these guidelines must be approved by the USAV Director of Events..

Seeding for the GJNCs is determined by Team results throughout the year as collected by USA Volleyball and entered into the official registration system using Team codes. According to these results, the top quarter of all participating Teams in a Tournament (first seeded Teams in the first round of pool play) are seeded numerically by strength.

### **POOL PLAY SEQUENCE**

Pool play sequences, listed below, are allowable for use with all respective pools in a NQ, unless another sequence is approved by the USAV Events Department:

Round	Four-Team Pools	Three-Team Pools	Five-Team Pools on 2 courts
Match 1	1 vs. 3 (ref 2)	1 vs. 3 (ref 2)	1 vs. 5 and 2 vs. 4 (ref 3)
Match 2	2 vs. 4 (ref 1)	2 vs. 3 (ref 1)	1 vs. 4 and 2 vs. 3 (ref 5)
Match 3	1 vs. 4 (ref 3)	1 vs. 2 (ref 3)	1 Hour Break
Match 4	2 vs. 3 (ref 1)		1 vs. 3 and 4 vs. 5 (ref 2)

Match 6	1 vs. 2 (ref 4)		1 vs. 2 and 3 vs. 5 (ref 4)

Round	Four-Team Pools court 1	Four-Team Pools court 2
Match 1	A 1 vs. 3 (ref B3)	A 2 vs. 4 (ref B2)
Match 2	B 1 vs. 3 (ref A3)	B 2 vs. 4 (ref A4)
Match 3	A 2 vs. 3 (ref B3)	A 1 vs. 4 (ref B4)
Match 4	B 2 vs. 3 (ref A2)	B 1 vs. 4 (ref A4)
Match 5	A 1 vs. 2 (ref B4)	A 3 vs. 4 (ref B1)
Match 6	B 3 vs. 4 (ref A1)	B 1 vs. 2 (ref A3)

A Team's final pool finish is determined by Match results. If Team(s) are Tied at the completion of pool play, Tie breaker procedures will apply (See [Procedures for Breaking Ties](#)).

## PLAYING SCHEDULES

- All pool play Matches are scheduled at least one (1) hour apart. Some pools may have play on two (2) days to complete the pool (for example, begin play one day in the evening and finish the next morning).
- The first Match of a pool must begin at its scheduled time. Within a pool, and after the first Match, a Match may begin up to 15 minutes before the scheduled starting time provided the two (2) Teams competing, the officials and the Tournament staff all agree to it, and provided that there is sufficient time for the warm-up protocol.
- For NQs, trickle-down Matches are required to be played only if necessary to determine Bid awards.
- Playoff brackets may not be larger than 24 Teams.
- All Teams will be scheduled for at least one (1) Match on the final day of competition.

## COURT USE

- Events may not schedule more than 13 Matches on a court in one day, unless otherwise approved by the USAV Director of Events. Tie-breaking sets do not count as scheduled Matches.
- Final Matches of the day must be scheduled to begin no later than 9:00 p.m. (with an 8:00 a.m. start) or 9:30 p.m. (with an 8:30 a.m. start).
  - For NQs Matches on day 3 of competition, Matches may not be scheduled to begin later than 3:00 p.m.

- For NQs if a division is larger than 64 Teams, the first round of playoffs can be scheduled for the second day. Teams must still be given a minimum of 1 Match on the third day.

## WARM-UP PROTOCOL

For Junior competition, when one (1) Team has exclusive use of the court, the other Team must either be at its Team bench or out of the playing area. Warming up with balls at the Team bench or in the spectator walkways is not permitted. Only rostered USAV members may be on the playing surface to assist with shagging balls during warm-ups.

**Primary Warm-up Protocol – (5-4-4):** – For all Teams in their first Match of a round of play.

- Five (5) minutes of shared court time for ball handling; and
- Four (4) minutes of exclusive court time for the serving Team; and
- Four (4) minutes of exclusive court time for the receiving Team.
- There will be no shared hitting time.

**Secondary Warm-Up Protocol (2-4-4):** For all other Matches within the round of play.

- Two (2) minutes of shared court time for ball handling; and
- Four (4) minutes of exclusive court time for the serving Team; and
- Four (4) minutes of exclusive court time for the receiving Team.
- There will be no shared hitting time.

A crossover Match or Tie-breaking Match that immediately follows pool play is part of that previous single round of play; Teams follow the Secondary Warm-Up Protocol set out below.

A crossover Match, Seeding Match or qualifying Match that occurs after a scheduled break, after the conclusion of pool play, is a separate round of play; Teams in this round follow the Primary Warm-Up Protocol. If all parties agree, the warm-up time may be shortened.

# PROCEDURES FOR BREAKING TIES

At the conclusion of a pool, the pool finish positions of the teams are determined by their pool match records.

- If there is a tie in match record among 2 or more teams in the pool, tie(s) will be resolved using the GJNC National Tie Break Rules.
- Even in 3 team pools where all 3 sets are required to be played, match record - not set record - will determine a team's finish in the pool.

## TWO-WAY TIES: 2 teams tied in match record

There will be *no* tie breaker sets.

- The higher finishing team will be the team that won the pool play match between the 2 tied teams (head-to-head). This is the procedure for **all two-way ties**, even when one (1) team might still win a Bid.

## THREE-WAY TIES: Where **no team can advance** to win a Bid OR Non-Elimination Scenarios

If 3 or more teams are tied in match record, the ties are broken by applying the following steps, in order, without repeating any step, except when two (2) teams remain tied when all steps in the process have been exhausted.

- Pool match record.
- Head-to-head results. (Pool larger than 4 teams.) Applied when a team has either defeated or lost to all teams with which it is tied.
- Set percentage (sets won divided by total sets played). This is done by determining each team's set percentage (divide each team's total sets won in the pool by the total sets played). The team with the highest set percentage is first.
- If some or all of the teams have the same set percentage, then determine the point percentage of the teams that are still tied (divide each team's total points scored by the total points scored by all the team's opponents in that pool).
- Should 2 teams remain tied, the result of their Head-to-Head match will break the tie.

## THREE-WAY TIES: Where **1 or more teams may advance** to win a Bid

There are several scenarios in which three-way ties can occur. The resolution for each tie breaker scenario depends on both the number of teams that can advance to win a Bid from the pool, AND which pool finish position is at stake for the tied teams.

## SEEDING TIE BREAKER SETS

The *seeds* for teams tied in match record involved in the tie breaker sets are determined by:

- Set percentage: The total number of sets played in the pool (sets won divided by total sets played).
  - The team with the highest set percentage is seeded highest.

If the teams are still tied:

- Point percentage: Each team's total points scored divided by the total points scored by the team's opponents in that pool.
  - The team with the highest point percentage is seeded first.

If the teams are still tied:

- Should two (2) teams remain tied, the result of their Head-to-Head match will break the tie.

## PLAYING TIE BREAKER SETS

### ***Scenario One – 1 Team Advances***

- All tied teams will participate in tie breaker sets.
- Set 1: the #2 seed will play the #3 seed, and the #1 seed will officiate. The loser of Set 1 will be in position #3 of the tied teams and will officiate the next tie breaker set.
- Set 2: the winner of Set 1 will play the #1 seed and the loser of Set 1 will officiate. The winner of Set 2 will be in position #1 of the tied teams and the loser will be in position #2.

If, for any reason at the start of the warm up period for the receiving team (second warmup period), 1 of the tied teams is unavailable for the resolution of the tie at the time the court official is ready to proceed, that team will automatically become 3<sup>rd</sup> of the tied teams and the other 2 teams will play one (1) tie breaker set. "Unavailable" is defined for a team playing in the tie-breaker set as not having a legal roster to begin a match. For a team assigned to officiate a tie-breaker set, a team must have every required position covered.

### ***Scenario Two – 2 Teams Advance***

- The #1 seed does not have a playoff set. The #1 seed finishes in position #1 of the tied teams.
- The #2 seed will play the #3 seed and the #1 seed will officiate. The winner will be in position #2 of the tied teams and the loser of this set will be in position #3 of the tied teams.

If, for any reason at the start of the Second Warmup Period, 1 of the tied teams is unavailable for the resolution of the tie at the time the court official is ready to proceed, that team will be ranked third of the tied teams. The remaining teams will finish 1<sup>st</sup> and 2<sup>nd</sup> in the pool based on the tie breaker seeding process. No other penalty will be applied and no tie breaker set is played. "Unavailable" is defined for a team playing in the tie-breaker set as not having a legal roster to begin a match. For a team assigned to officiate a tie-breaker set, a team must have every required position covered.

### ***Scenario Three – Ties Involving More Than 3 Teams***

Within a pool, should a tie occur involving more than 3 teams, the process for breaking that tie should be coordinated by NQ staff with a member of the USAV Events Department prior to the start of the event.

## TIE BREAKER PROCEDURES FOR THIRD ROUND OPEN DIVISION POOLS (GOLD POOLS)

If 3 teams are tied, ALL 3 TEAMS WILL PARTICIPATE (PLAY and/or OFFICIATE) IN TIE BREAKER SETS. Follow the *Seeding the [Tie Breaker Sets](#)* to seed the teams, and *Scenario One* above for the Set Play Order.

\*\*\*If **all teams** in the Gold Pool are qualified, OR the result of a tie breaking process has no bearing on the awarding of

a Bid(s) in that pool (i.e. all teams involved in the tie either already have a Bid or will receive a Bid regardless of the tie break process) or any other teams in another pool of this round of play, there will be no tie breaker sets for that pool. Ties are resolved by ranking according to set percentage, or, if necessary, point percentage.

In the case that there is only one Gold Pool in the third round and 2 Bids are available:

- The #1 seed does not have a playoff set. The #1 seed finishes 1<sup>st</sup> in the pool and receives the 1<sup>st</sup> Bid.
- The #2 seed will play the #3 seed and the #1 seed will officiate. The winner will be 2<sup>nd</sup> place in the pool and will receive the 2<sup>nd</sup> Bid. The loser of this set will be 3<sup>rd</sup> place in the pool.

## **FORMAT FOR TIE BREAKER SETS**

- Tie break sets are played to 25 points with one (1) team winning by two (2) points, no cap.
- Teams will switch sides at 13 points.

## **PENALTIES FOR MISSED TIE BREAKER SETS**

- It is the responsibility of a team's coach to know if there is a potential tie in pool play finish and to have his/her team available courtside for tie breaker sets as soon as the last match of the pool is finished. Play of tie breaker sets will not be delayed in order to locate a team or provide time for a team to return to the court. "Unavailable" is defined for a team playing in the tie-breaker set as having a legal roster to begin a match. For a team assigned to officiate a tie-breaker set, a team must have every required position covered.

In a three-way tie, where 1 or more teams is not at courtside at the finish of the last match of the pool, the teams remaining will play for position, if necessary.

- The team(s) that left will finish lower than the team(s) that remained.
- The position of the team(s) that left will be determined following the tie break procedure as it pertains to the pool and advancing positions available.
- There are no other penalties for a team that is not present for tie breaking sets.

# TEAM AND PLAYER POLICIES

## PARTICIPATION IN MULTIPLE DIVISIONS

Each NQ that operates under one name or one USAV Sanction is defined as a single NQ Event, even if the NQ activity is held on multiple weekends or in multiple locations. **Exception:** An 18's NQ, even if using the same name as a NQ for the 11's-17's age groups would be considered a separate 18's NQ Event if not conducted on the same dates as the NQ for the younger age groups.

- A player may only be on one (1) Team roster in a single NQ.
- Players frozen to rosters may no longer play on a different Team at NQ's.
- A Team represented by a specific Team code may participate in no more than one (1) division of a single NQ Event.

For the 18sGJNC and GJNC policies for multiple division participation are as follows:

- Athletes meeting the age definitions for age groups younger than 18 may participate in both Events, but only one (1)( championship division per Event (18sGJNC or GJNC)). The qualification divisions for the 18's age group are Open, National, USA & American.
- A Team represented by a specific Team code may participate in no more than ONE (1) division that requires qualification of the 18sGJNC and GJNC combined. **EXAMPLE:** A 17's Team that qualifies and accepts a position for an 18s' division in the 18sGJNC may NOT play in a 17's qualification division of the GJNC.

## PLAYING UP

A Team should play in the division that conforms to the USAV age requirements for the Team's players. The Team's 11digit code stipulates its proper age division. If a Team desires to play up an age division AND there is space available without denying an entry position to an age appropriate Team that has met the entry requirements the Team may play in an upper age division. A Team may play up a maximum of two age divisions (i.e. a 15's Team could only play up to 16's or 17's).

A Team may be moved up at the request of the Tournament, but if this Team is accepted in the proper age group, they must agree to the move. A Team unable to gain access may be offered the opportunity to play up by the Tournament.

## TEAM FORFEITURES

A Team that intentionally forfeits a Match at an Event will be excluded from further participation in that NQ.

- The forfeit is intentional unless the Team shows good cause for the forfeit.
  - The Event Arbitrator will determine if good cause exists.
  - The Event or Arbitrator will report any Team that intentionally forfeits a Match to the USAV Events Department.
- Forfeiting Teams may be subject to a fine paid to the Event in the amount not to exceed that as posted by the Event in its pre-Tournament information.
- For all NQs, if a Team intentionally forfeits a Match in a Gold Pool or Gold Bracket in any division Open Division Match the Team's penalty will be:

- The forfeiting Team is ineligible for participation in that year's GJNCs. ALL Adult Members listed on the verified Event competition roster and the Club Director will be suspended from participating in all NQs, Regional Qualification Events and the GJNCs for the remainder of that season and the following season.

## ***Last Day Forfeits***

Teams that enter a NQ are committing to participating in the full Event. Teams have control over their travel plans and those plans should be made so that a Team will not have to forfeit any Matches.

A Team that forfeits a Match for any reason other than illness, injury or emergency is denying another Team a Match. Additionally, in a single elimination format, it is poor sportsmanship to deny a Team the right to move on by beating them and then forfeiting out of the Event. Furthermore, it is even more unacceptable to forfeit and then, as loser of the Match, not to remain and officiate the next Match.

Teams that have no flexibility in their travel plans and know they will need to leave before their division completes play will report to the Tournament Director no later than the end of play on the day prior to the final day of Tournament.

The Event Arbitrator with the input of the Tournament director will decide what forfeitures are needed. Teams forfeiting should recognize that additional penalties may be imposed.

- Teams that refuse to play a Match to determine 3rd and 4th place in the Tournament will both finish 4<sup>th</sup>, and there will be no 3<sup>rd</sup> place awarded in the Tournament.
- Teams that forfeit a last day Match are still responsible to officiate the next Match scheduled on their court. Teams playing the next scheduled Match may not be required to begin play early.

## **TEAM UNIFORMS**

Team players are required to wear uniforms that are in full compliance with the USAV regulations. If two (2) or more sets of uniforms are used, players are required to wear the identical number for each set of shirts.

- The numbers "0" and "00" are not permitted.
- The numbers must be centered.
- Front numbers must be a minimum of 4" and back numbers a minimum of 6"
- All Libero shirts are required to be numbered and must be clearly contrasting with the non-libero uniform shirts.

Team members need to be in proper uniform when warming up. If an individual competes in a position other than Libero as well, his/her number must be the same as their regular uniform.

## **TEAM OFFICIATING DUTIES**

The NQ must publish an officiating assignment schedule for the Teams; the Teams must fulfill all their scheduled officiating assignments.

Teams are responsible for providing an officiating/work crew for Matches in which they are not scheduled to play. Those work assignments can be found in the official play schedule. For planning purposes, be prepared to provide the following officials:

- Second Referee (GJNCs provides R2)
  - Must be a rostered adult for **ALL** age division Matches
- Certified Scorer (PENALTIESTIESTIES NOTED BELOW)

- Scoreboard Operator
- Libero Tracker
- 2 Line Judges

Non-rostered personnel may be allowed to work on the officiating Team, with the exception of the R2 position, provided they can provide documentation that they are registered with a Region of USAV to include a current membership, cleared background screening, and is SafeSport trained, as well as have the appropriate certifications. Appropriate paperwork would need to be provided for Foreign Team personnel.

- A Team's failure to have a complete officiating crew—including a rostered adult for that Team—available and on time for an officiating assignment will result in the Team having to forfeit the first game of its next Match.
- For every minute an officiating Team is late to fulfill its assignment, one (1) point will be awarded to that Team's next opponent in the first game of the next Match for up to 25 points. No more than 25 points will be awarded to the Team's next opponent, even if the Team designated to officiate misses the entire Match. The time that determines how many penalty points are assessed begins at the start of the receiving Team's warm-up.
- A Team will forfeit its entire next Match for failing, a second time, to have an officiating crew available on time for an officiating assignment.

## REGIONALLY AGE WAIVERED PLAYERS

Teams competing in a NQ Bid award division **MAY NOT** use any players who have an age waiver from their Region unless those players are otherwise age-eligible to play in the division. NQs may allow Teams using players who have a waiver from their Region for age requirements in any division that does **NOT** have a Bid for the GJNCs.

With region approval only, teams with waived players may be eligible to participate in the non-qualifying Patriot Division of the GJNC. USAV will fully support the region's decision on whether or not to allow waived players in this division.

## TEAM ROSTERS

A Team must have a minimum of one (1) head coach and six (6) players. A Team may have a maximum of fifteen (15) players and five (5) additional personnel on their roster, one of which must be listed as the Head Coach. The other four (4) roster positions may be any combination of the following:

1. Assistant Coach
2. 2<sup>nd</sup> Assistant Coach
3. 3<sup>rd</sup> Assistant Coach
4. Chaperone
5. Team Representative
6. Team Manager

All rostered players must be FULL MEMBERS of a Region of USA Volleyball.

All rostered personnel (non-players) must be FULL MEMBERS of a Region of USA Volleyball, be SafeSport trained, and have a current, cleared background screening if applicable. Junior level members under the age of 18 do not need to be background screened and can only serve as a manager on the roster. Junior members 18 years old and above, serving in non-player capacity on a junior Team, must have submitted, and cleared a background screening within 30 days of their 18th Birthday and must be SafeSport trained.

In order to be listed as a coach, serve in a coaching capacity, and/or sit on the Team's bench, one must possess a minimum coaching certification level of IMPACT (Entry Level). An IMPACT certified person, listed on the roster, must be present and on the bench at all times. It is strongly recommended that Teams have more than one IMPACT certified

person on their roster and present with the Team at all times. In the Event an IMPACT certified person is not present (late, sick, ejected or disqualified), the Team must have another IMPACT certified person on their roster and on the Team bench for play to begin or continue without forfeit. No additional time will be allowed to comply with the IMPACT certified person requirement to continue play except for unused time outs and/or time allowed between sets.

The Head Coach listed on the Official competition roster must have no other head coach designation with any other Team concurrently within the same Event, with the exception being a single NQ taking place over two weekends.

IMPACT certification rating may be met by successfully completing one of the following programs:

- USA Coaching Accreditation Program (CAP), Levels I, II or III
- RVA IMPACT course (Region or National Office verification required)
- Canadian Volleyball Associations Levels 1-4
- FIVB International Courses Levels 1-3
- ACEP "Principles of Coaching" course with proof of purchase of the USAV IMPACT Manual

The Team Manager position is primarily reserved for, but not restricted to, junior level members (members who are registered in a junior level membership category or are under the age of 18) participating with a junior Team in a non-player capacity. These members cannot be placed in any Team staff position other than "Team Manager". Junior level staff members must be at least 10 years of age. USA Volleyball, the Event arbitrators, and the NQ designee reserve the right to conduct random ID checks on any staff person listed on the roster at any time.

Individual participation eligibility requirements (membership, background screening, IMPACT, minimum age, SafeSport trained etc.) are subject to verification by USAV, including use of random ID checks by the Event Arbitrator and/or the NQ or GJNCs designee.

For all Events, each player is required to wear the same jersey number as listed on the official roster throughout the entire Event, with limited exceptions as required by emergency or blood rule applications. Roster changes, including the addition of a player are not allowed to an official roster once that Team has begun Match play in that Event.

## ***USA Volleyball Age and Identity Falsification Policy***

***(BOD Approved 01/2004)***

Any member in question must provide proof of identity and age eligibility if requested by an Event staff member or a USAV Arbitrator.

The following constitutes as proof of identity and age:

- Current Driver's License or Identification Card
- Birth Certificate – Junior Members Only
- Military Identification Card
- Current Passport

For all USAV Sanctioned Events, any person who alters a document that certifies the age or identity of a participant, or falsifies any statement that lists the age or identity of a participant, will be penalized as follows:

- A junior player who knowingly plays in a lower age classification than he or she is actually eligible for, or an adult player who knowingly plays in a higher age classification than he or she is actually eligible for, or any player who knowingly misrepresents his or her identity shall be:
  - Immediately suspended from registration with USAV and barred from further participation in the Event; and Barred from participation in any USAV Events, in any capacity, for a minimum of two (2) years; and
  - Placed on a minimum probation of one (1) additional year, to run consecutively with the suspension.

- Any Team Representative, Coach, Club Director or responsible adult found to be a party to such action shall be subject to the same penalties.

When age or identity falsification is discovered and confirmed during an Event, these penalties shall be the required minimum penalty imposed by the Event Arbitrator or the Event Ethics and Eligibility Appeals Committee. Additional penalties will be imposed to include forfeitures.

The Event Arbitrator shall file a report detailing the incident of any age or identity violation, to USA Volleyball. USA Volleyball shall notify the Region of the penalty and further actions required.

## GENDER COMPETITION POLICY

The vast majority of athletes are expected to compete as the gender noted on their birth certificate. The goal of the USAV policy is to permit athletes to compete in the gender in which they identify, while minimizing and competitive advantage which may accrue. Athletes who wish to compete as a member of the gender opposite that recorded on their birth certificate must duly notify USAV of their intent, and provide appropriate medical documentation of their status to the USAV Gender Committee (GC) at least six weeks prior to the competition in which they wish to participate.

To receive the complete USAV Gender Competition Policy, a gender ruling or ask any questions, please contact the USAV Gender Committee at [ChairGenderCom@usav.org](mailto:ChairGenderCom@usav.org).

## ON-SITE REGISTRATION AND ROSTER VERIFICATION

Each Event will publish information about the process and requirements for on-site registration and Team check in.

An adult staff member listed on the roster is required to have a copy of, or access to each player's medical release form at all times. These forms may or may not be required at Team check in depending on each Events policies

For the GJNCs, an adult staff member listed on the roster will need to sign that the club has and abides by a Team travel policy and all other SafeSport policies.

Prior to beginning play an adult staff member (Coach, Club Director or other designated adult) listed on the roster must confirm a Team's presence at the Tournament by signing an Official competition roster (Official Roster). Some NQs may allow another designated adult to check in the Team. No additions or changes to a Team's roster are allowed once a Team has begun competition.

The person who signs the Official Roster, whether the Coach, Club Director or other designated adult (Signing Agent), assumes all responsibility for verifying that:

- All of the information contained on the Official Roster is both complete and correct, including that:
  - All rostered positions adhere to the requirements listed under TEAM ROSTERS (Please see [Team Rosters](#)) OR have fully completed the necessary process established for Foreign Teams (Please see [Policy on Foreign Individual and Foreign Team Participation](#)).
  - All reported Team competition results are complete and accurate.

No player may be added to an Official Roster at a NQ once that Team has begun Match play in that Event.

If a Team wins an Open Bid or accepts a National, USA or American Bid at a NQ, the players on the Official Roster, as signed by the Signing Agent prior to the start of Tournament play, are frozen to that Team.

NQs will send the Official Rosters of the Bid winners, Bid acceptance forms and official results for each division of the NQ to the USAV Events Department at the conclusion of the Event (no later than two days post Event). The Events Department will post the qualified Team rosters and results on the USAV website.

(See [Frozen Player Rule](#) below for additional information about Region Bids and At-Large Bids in regards to Official Rosters.)

## SAFESPORT

Participation in nationally sanctioned events will require that SafeSport training be completed by all registered adults (note, foreign teams are exempt but we strongly recommend you take the course). Individual regions may set earlier deadlines for their respective regional events.

### **SAFESPORT TRAINING REQUIREMENT:**

SafeSport certification is required for those having frequent contact or authority over athletes. Regions may set earlier deadlines for their respective regional events.

## THE “FROZEN PLAYER” RULE

Once a female junior player has participated in a GJNCs qualifying Event (Regional or NQ), she may not be on the Official Roster of, or participate in, another GJNCs qualifying or championship Event with a different club. Example: a player plays on a club in a national qualifier in an attempt to qualify. The player’s Team does not qualify. That player may not transfer to another club to attempt to qualify

Earning and accepting an Open Bid, submitting an Open At-Large Bid application or accepting any National, USA, or American Bid defines the Team as “qualified” for the GJNCs. Once a Team is deemed qualified, the players on the qualified Team’s Official Roster are frozen to that Team. The players on the Team’s Official Roster are subject to the following restrictions:

- A Frozen Player cannot be on the roster of, or play for, another Team in a Regional Qualifier or NQ Event, the roster of a Team applying for an Open At-Large Bid, or another Team playing at the GJNCs.
- A club may add player(s) to the Official Roster of one of its Teams qualified for the GJNCs, provided the additional player(s) are members of the club and are not on the Official Roster of another of the club’s Teams at the GJNCs.
- No player may switch from one qualified Team to another qualified Team, even within the same club. NOTE: A player under the age of 17 can switch between a Team that has qualified for the 18sGJNC and another Team that has qualified for the GJNC as long as both Teams are within the same club. A player may not help multiple Teams qualify for GJNCs.

- a. EXAMPLE 1: A player in the 17's age division plays on an 18's Team at a national qualifier and that Team Qualifies for the 18sGJNC in the Open Division. That player may not play on any other Team (e.g. a 17s Team trying to qualify for 17 Open) at any National Qualifying Events to help that Team qualify for the GJNC for the remainder of that club season. She may, however, be added to the 17 Open roster to play in the GJNC within that club.
- b. EXAMPLE 2: A club has a Team that has qualified for the 18 USA Division of the 18sGJNC, they may add a player from their club who plays on a younger Team to play in the 18sGJNC even if the younger Team has qualified for the GJNC.

Violations of the Frozen Player Rule may result in Sanctions being imposed on the already qualified Team, its club, the Team's coach, the player and/or the club's director.

The USAV Events Department will determine Sanctions for violations of the Frozen Player Rule. (See [Penalties for Illegal use of Bid](#))
