

FOUNDRY PARKING & TAILGATING POLICIES

Welcome all NCVA Families! We have established a parking and tailgate policy at The Foundry. This policy will help ensure tailgating activities are in a specified area, providing additional safety for tailgaters. Parking fees are separate from tailgate fees. All vehicles entering The Foundry parking lot are required to pay \$10/per Vehicle. No oversized or RV Vehicles allowed. To pre-purchase in advance online, go to <https://squareup.com/store/the-foundry-redwoodcity/>. Parking fees are not included with Tailgate Permit fees.

Free parking with shuttle service is available at a satellite parking lot about ½ mile down the street from The Foundry. This satellite lot is located at 1831 E. Bayshore Rd, Redwood City. If you do not register in advance for paid parking at The Foundry, you should go directly to the satellite parking lot and take the free shuttle service to The Foundry. For safety reasons, parking is not allowed along Bayshore Road.

The Foundry has established a Tailgate Area with a maximum of 20 tailgate slots at The Foundry. Attendees that would like to Tailgate are required to purchase an additional Tailgate Permit. Permits may also be purchased in advance online for \$15/per day at <https://squareup.com/store/the-foundry-redwoodcity/> or the day of at the Parking lot entrance for \$20 per day based on availability. Cash only is accepted. Permits shall allow 2 spaces (10'x10' slot) for tailgating in the pre-designated Tailgate area at The Foundry. Picnicking activities shall not be allowed in parking lot areas outside of the designated Tailgate area. For your convenience, The Foundry has provided one long table for each of the tailgate spaces.
