

## Tryout / Clinic Packet

2017.2018 Season

Please read through this information carefully. If you have any questions, please contact the Northern California Volleyball Association (NCVA): [vball@ncva.com](mailto:vball@ncva.com)

Each Club Director or Registrar will need to keep a list of ALL participants at the tryout/clinic. This list will be submitted to NCVA. The information on the list must include all participants' first name, last name and membership number.

Please note that clubs will not be able to request passes, of any kind, for their tryout/clinic. All memberships must be completed and paid online. It is highly recommended that you tell all players attending your tryout/clinic of this policy and request that they register online prior to attending the tryout/clinic and bring you their printed membership card as proof of registration. It may also be helpful to have a computer with internet access and a printer at your tryout/clinic for those players wishing to register for a full membership onsite.

**Tryout Memberships:** All types of memberships must be registered online. Players will be able to register for the tryout membership online during the following periods:
