

NCVA Refund Policy

Northern California Volleyball Association (NCVA) fees are managed separately from USA Volleyball membership fees. No refunds will be issued for any membership type, regardless if an entire NCVA and/or USA Volleyball membership season and/or any portion thereof is cancelled or interrupted for any reason.

Other NCVA programs and events may utilize different cancellation policies. Please read individual programs or event information on the NCVA website, in our tournament management system, or on handbooks and websites.

NCVA reserves the right to make exceptions to their refund policy at its sole discretion.
