Referee Symposium

The NCVA is an organization that provides volleyball officials in Northern California and Northern Nevada to all levels of the sport from Middle School to College. If you are interested in becoming an Official (Referee) or are a Club Director/Coach interested in attending the NCVA Symposium, the NCVA offers several Officials Training Symposium each season in August, October, December, and January at tournaments.

The Symposiums are multi-day event designed to give the participant actual court/game experience while being mentored by instructors, prior to, their first match. While rules clinics are valuable tools, the on-court game setting is a good way to give experience needed prior to the start of the season.

The first day of a Symposium is divided into two (2) parts, a hands-on classroom session and an on-court training or Shadow session.

During the hands-on classroom session, we will introduce the participant to the basics of the game of volleyball. The participants will then review subjects such as Court and Equipment, Match Protocol, Officiating Mechanics, Ball Handling, and Scorekeeping.

During the on-court training, you will experience the atmosphere of a tournament. You will participate in watching a match and, while watching the game, an instructor will answer your questions. This demonstration will help you see, in action, what you just learned in class. Students are then assigned to officiate matches on the second and third day of the tournament. You will work with an experienced official and be debriefed after the match to help you improve before you are ready to work a match on your own.

The Symposium is open to all returning and new referees. Returning Provisional officials will need to attend a symposium to be evaluated and pass a online test to become a regional official. Any new referees wanting to work the [2023-2024 Club Season](#) will need to attend a [Symposium](#).

HANDOUTS

Captains' Meeting: 2023-2024 Club Season

Introductions

- R1 will hold up coin and blow whistle to call over team captains.
- Ask the captains to introduce themselves.
- Introduce yourself and your partner.

Review Ground Rules

- Sport Court Rules
 - Both feet must be inside the sport court.
 - Part of the body must be in contact with the sport court if playing the ball that is outside the sport court.
 - The ceiling is playable if on your side in the playable area.
 - If there is an adjacent court, players may not enter before and/or after playing the ball.
- Players must remove large jewelry or chains or hazardous jewelry.
 - If worn, religious medallions must be removed and taped to the inside of the uniform.

Review Substitutions

- Let captains know that subs must be inside the attack-line ready before serve is beckoned.

Give everyone an opportunity for input/questions

- If there is an R2 present, ask if they have anything to add.
- Ask if the players have any questions.

Conduct the Coin Toss

- Designate each team a side of the coin Are we changing side after each set?
- After the coin is flipped, ask the winning team's captain whether they want side, serve or receive.
 - If serve is chosen by the winning team, the losing team chooses the side.
 - If side is chosen by the winning team, the losing team chooses serve or receive.
- Inform captains of warm-up protocol.
 - 5 mins sole use of the court for the serving team, 5 mins sole use for the receiving team.
 - If **both** teams have played a match already that day, then warm-ups are shortened to 3 mins for each team. No shared hitting is allowed.
 - Qualifier Warm-ups 2 Min Share, then warm-ups are to 4 mins for each team

Wish each team "Good Luck". Make sure the serving team has the court first (that means receiving team is either at their bench or helping stop volleyballs for the opponent {no passing opponents play}).

Start warm-up timer and then begin working with the officiating team.

Follow these tips to finish your match day in a timely manner.

- First Match of the day coin toss at 15 minutes before game time. Unless instructed otherwise, warm up time first match of the day for each team is 5 minutes each, then 3 minutes each for the rest of the day (SERVING included in the three (3) minutes) Prior to the match, if the teams have previously had a playing court exclusively at their disposal, they are entitled to a 6-minute official warm-up period together at the net; if not, they may have 10 minutes.
- Make sure everyone is ready, and when the server is in possession of the ball, blow whistle and authorize serve as soon as server is on/past the end line. Saving about 40 minutes per day.
- Not beckoning for service soon enough adds three (3) seconds per service, 120 seconds per set or over 40 minutes per day.
- Time outs are to last 30 seconds ONLY. ALWAYS have a time piece with you. Saving about 20 minutes per day.
- An extra 15 seconds per time out at four (4) time outs per set, is, two (2) minutes per match or 20 minutes per day.
- Do not blow whistle for substitution until new bench player enters the substitution zone. A verbal request for substitution is not acknowledged by the referees. The substitute must enter the substitution zone for the request to be acknowledged, except for a substitution related to an injury. The substitution shall only last the time needed for recording the substitution on the score sheet and allow entry and exit of players. Substitute must be in the substitute zone before R1 whistles for serve, otherwise an improper request. The first improper request by a team in the match that does not affect or delay the game shall be rejected, but it must be recorded on the score sheet without any other consequences, if a change in request is due to a referee's mind change, the request will be honored, and no sanction assessed.
- Players chase loose balls, not line judges – and they MUST chase them.
- Change of courts at end of set is three (3) minutes or less.
- Coin toss for all subsequent matches of the day will be right after conclusion of the current match. Check and complete the prior match's paperwork after the coin toss which is during the next match's warm up time. This can save about 30 minutes per day
- An extra three (3) minutes per match getting the next match started is 30 minutes per day.

BEACH OFFICIAL

BEACH OFFICIAL

Welcome to Beach Officiating!

The NCVA is looking to build our Beach Officials members and assist you in another avenue to expand your officiating skills and opportunities. We train, evaluate and certify referees for all types of outdoor volleyball, including doubles, triples, fours and sixes, played on both grass and sand surfaces. We support junior, collegiate and professional play.

It is important to note that we are beach *officials*, not beach *referees*. To certify for beach officiating, you must train in all of the officiating roles: lines-judge and scorer, as well as first and second referee!

The following pages will thoroughly describe the requirements for becoming a beach official, and for maintaining your rating. But first, let us take a moment to look at the big picture:

How Do I get Started?

- Get off to a great start by making use of our online-tools: Go to [USAV](#): look at the Training Materials, Rules and Interpretations, Certifications, and Resource for beach officiating. You will find presentations, rules comparisons, scoring instruction, and other tools, all online for your at-home convenience!
- The NCVA hosts beach officiating training camps each summer.
- If you are already an experienced beach official, you can certify directly at one of our Zonal Certification Clinics.
- To apply for a Certification Clinic or a camp, please contact the NCVA.

Becoming a Beach Volleyball Official at the Local Level:

The entry level Beach Volleyball Official certification that is awarded by a Region is a Local Beach Official. Certification and recertification requirements are to be administered by the NCVA. The **suggested** criteria used for a Local Beach Official are as follows:

To obtain certification as a USAV Local Beach Official:

- The official must be a regular member of USAV.
- The official will need to complete all SafeSport courses.
- The official must successfully pass and maintain USAV background screening if they will be officiating junior's competition.
- The official will need to attend a Beach officiating clinic either in person or online every season.
- The official will need to take the current Beach officials' exam either online or hardcopy. (all exams must be corrected to 100% with rule references).
- The official will need to prove proficiency in all portions of Beach officiating (i.e. R1, R2, Scorekeeping, and Line Judge). This proficiency will be measured by practical ratings and observation. These ratings will be conducted at USAV events either in region or nationally. Ratings should be conducted by Beach Officials who hold a Zonal rating or higher.
 - i. Receive one (1) passing rating as an R1.
 - ii. Receive one (1) passing rating as an R2.
 - iii. Receive one (1) passing rating as a Scorer. This requirement can be met by successful use of the USAV Beach score sheet while performing their duties as an R1 or R2.
 - iv. The Official will need to be observed as a Line Judge with feedback provided to ensure that they understand the correct technique.

Required Uniform

- Shirt** All white, blue or grey polo shirt, short or long sleeves, with the "Certified Volleyball Official" logo on the arm. For NCVA local tournaments, an NCVA Beach Official T-Shirt may be worn.
- Slacks** Dark navy or black shorts made of 100% polyester are recommended. Other fabric combinations are permitted if the dark navy color doesn't appear to be faded. However, "Dockers" are specifically prohibited.
- Belt** Black or dark navy in color.
- Shoes** Shoes must be all white
- Jacket** Jackets are optional. If worn they must be primarily white with the "Certified Volleyball Officials" logo on the left chest.
- Equipment** Please bring whistle, red and yellow cards, and flags (optional).

SAFESPORT

SAFESPORT Registration

USA Volleyball has ruled that all Officials must become SafeSport Certified.

The primary goal is to help all officials understand and become well-skilled in the awesome responsibility and incredible opportunity they have to influence young people positively through the sport of volleyball.

The NCVA would like to assist all officials in becoming responsible officials and to develop a clearer understanding of their responsibility and opportunity.

SafeSport

USA Volleyball believes that volleyball has many positive things to offer those who participate. First, and most importantly, whether one is a gifted athlete or a recreational player, volleyball is FUN! It is a lifetime sport enjoyed by players from 8 to 80. Participation in volleyball is not only good exercise, but also involves team cooperation and spirit.

Athletes enjoy a wide range of physical, emotional, and social benefits. Sports develop general physical fitness, and physical exertion has a documented positive mental effect. Athletes have a greater sense of self-worth, demonstrate better collaboration skills, and maintain healthier peer relationships.

Unfortunately, sports, including volleyball, can also be a high-risk environment for misconduct, including physical and sexual abuse. All forms of misconduct are intolerable and in direct conflict with the values of USA Volleyball.

Misconduct may damage an athlete's psychological well-being. Athletes who have been mistreated may experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and negative impacts on their relationships with family, friends, and the sport. Misconduct often hurts an athlete's competitive performance and may cause enough harm for them to drop out of our sport entirely.

USA Volleyball is committed to fostering a fun, healthy and safe sport environment for all its members. We must recognize that the safety of minors lies with all those involved in the sport and is not the sole responsibility of any one person at the club, regional or national level.

We all have a role to play in providing a healthy setting for our sport. The USA Volleyball SafeSport Program raises awareness about possible misconduct in our sport, promotes open dialogue and provides training and resources. When we work as a team, we can build a plan to make volleyball safe – for everyone.

USA Volleyball members should use the policies, guidelines, best practices, strategies, and tools available to implement SafeSport practices at the local level. Together we can provide a safe environment for all members to enjoy the sport of volleyball.

Annually, NCVA officials are required to take the "SafeSport" course.

Guiding Principles:

1. USA Volleyball is committed to providing a safe, healthy and positive environment for its participants' physical, emotional and social development.
2. USA Volleyball believes in an environment free from abuse and misconduct.
3. USA Volleyball believes that all non-athlete members share a collective responsibility to protect our membership.
4. USA Volleyball will make training available for all members to increase awareness and understanding of athlete protection policies and best practices. USA Volleyball will provide a process for members to recognize, respond to and report any SafeSport issues that arise.
5. USA Volleyball will provide resources, information and guidance on SafeSport related issues to all members, including coaches, parents and athletes.
6. USA Volleyball will treat all allegations of abuse or concerns regarding athlete safety seriously and will respond appropriately and as prescribed by the USA Volleyball policies.

HIRO's

I. Purpose

The HIROS Initiative was created as a response to the prevalent and increasing numbers of harassment incidents making headlines in sport. USA Volleyball has adopted a zero tolerance approach to this initiative at all qualifiers and national championships. The initiative's aim is to empower tournament staff to confidently respond and report incidents of harassment, **in real-time**, regarding physical violence and / or hate speech directed toward an individual's ethnicity, gender, sexual orientation, or disability. This collaboration was successful thanks to representatives from the USAV DEI Committee, officials, arbitrators, and Region staff.

II. Resources

- A PowerPoint presentation is available for sharing this initiative with Region Board members, tournament directors, coaches, officials, parents and other constituents.
- An officials' training module, *213_Harassment Incident Response - Officials & Staff*, can be accessed through the USAV Academy using the Academy Course Builder and added as part of a custom region course. The *213_Harassment Incident Response - Officials & Staff* module will also be included in the Officials Academy available as a self-study course.
- HIROS form can be easily accessed through a direct link HIROS online form, QR Code (below), or a hard copy can be printed and provided to event site management.
- All forms submitted using the USAV provided online submission, will be forwarded to the Region designee(s) on a weekly basis. Everyone submitting the form will immediately receive an email confirmation once the form has been submitted.
- Script and sample wording for communication to participants and attendees. Includes PA announcement, team letter, tournament manual, and constituent meeting talking points:
- Signage to print and display forthcoming.
- Best practices page with specific examples forthcoming.
- Have questions or want to share ideas/best practices? Some members of the HIROS initiative Region Focus Group have volunteered and are available and eager to assist. See table below for contact information.

III. Participation

- Mandatory at national events (i.e. qualifiers, GJNC, BJNC, Opens)
- Voluntary at the Region level. Each Region can elect to adopt the HIROS initiative as provided and/or modified for individual Region needs.
- Even if harassment and hate speech are not currently a serious issue in a region, participation is encouraged as it will prepare your officials and staff for these rare occasions.

We are grateful to all those who have and continue to contribute to this effort to ensure events and programs are conducted in an inclusive and supportive environment free from harassment.

EXPECTATIONS

EXPECTATIONS

First Referees:

- Eye-contact with the officiating team and participants.
- Match control – address all issues; be aware of all match situations; address conduct when needed – not necessary to wait for second referee to request a sanction since R1 has ultimate control over match.
- Establish and maintain a brisk, but unhurried match tempo.
- Excellent signals and strong whistle.
- Court awareness – be aware of extraneous items/equipment on court; recognize non-participants on court; errant balls; injury situations.
- Ensure antennas are properly aligned before EVERY match; check prior to warm-ups; re-check R1's antenna before getting on stand to start.
- Understanding Sport Court rules, particularly regarding the service authorization.
- When teams have different degree of skill, maintain consistency appropriate to both sides.
- Call net faults appropriately but give second referee time to call most nets. Allow appropriate & consistent latitude on the net contacts that do not interfere with play.
- Adjust judgment to level of competition.
- Give verbal warnings at appropriate times with appropriate demeanor.
- Protect other officials from abuse by participants/spectators.

Second Referees:

Be on the offending team's side at the end of each rally; required. ALWAYS step to the offending side when you (R2) are whistling the fault.

- Awareness of player positions/alignments; appropriate verbal warnings; appropriate calls when required.
- Helping the R1 “get it right” – back row faults, pancakes, Libero playing faults; proper use of discreet signals.
- Appropriate interactions with coaches, when needed.
- Good communication with scoring crew; includes waiting for the Score Keeper to finish recording subs/information before giving “ready” signal; require Score Keeper to use “ready” signal.
- Assist with conduct control and request appropriate sanctions when necessary.
- Ensure antennas are properly aligned before EVERY match; check prior to warm-ups; re-check R2's antenna before the walk out presentation.
- Control substitution procedures – one sub in the zone at a time; a separate whistle for each team's sub requests.
- Secure the game ball between sets and after the match.
- Call net faults.
- Adapt to level of competition.
- Use correct signaling sequence in appropriate tempo.
- Obtain a clear view of the receiving team prior to each serve but be positioned so that peripheral vision can detect activity from serving team's bench.
- Address players / coaches respectfully, always in a dignified way.
- Display superior verbal and non-verbal communication skills with the other officials; avoid inappropriate body language.

Unprofessional Conduct Includes:

- Sloppy uniform; scuffed or dirty shoes.
- Line-up sheets, ref bags, or other non-essential items placed on the water barrels.
- “Leaving without your partner”, i.e., the first referee beckoning for service without first ensuring R2 is ready.
- R2 giving “ready” without first receiving this signal from Score Keeper.
- Overly attentive to location of substitutes at the end of the bench; handle this pre-match and again during line-up checks prior to match!
- Lack of communication and eye contact. Scan, scan, scan! See everything on your court, especially prior to each beckon.
- PERSONAL use of cell phones! Calling Tournament Desk or a Head Referee may be acceptable, but even that isn’t preferable.
- Missing deadlines, not responding in a timely manner to communications.
- Not showing up on the day of tournament. Showing up late.
- Lack of time management on your court which creates matches to back-up.
- Making derogatory remarks to coaches, players, or spectators- about the NCVA, other officials, or any other NCVA member.
- Engaging in interactions with spectators.
- Displaying unsupportive attitude regarding the decisions or performance of other officials during any portion of the tournament at all.
- Using alcohol or illegal drugs while working.
- Making racial slurs.
- Making sexual remarks.
- Fraternizing with players, coaches, or spectators while in uniform.
- Showing favoritism toward a team.
- Completely losing control of team conduct during a match.
- Following an incorrect protest procedure.
- Other unprofessional or unethical conduct on or off the court
